

# 4<sup>th</sup> Annual Meeting

## AGENDA

**27-28 May 2010**

**Max Planck Institute of Psychiatry**

**Kraepelinstrasse 2**

**80804 Munich, GERMANY**

**MAX-PLANCK-GESELLSCHAFT**  
**Max Planck Institute of Psychiatry**

# MEETING AGENDA

LECTURE HALL

**MAY 27<sup>TH</sup>**

**08:30**            **Registration**  
**08:45**            **WELCOME** by Barbara Demeneix and Osborne Almeida

## Session 1: SIGNALLING & NETWORKS

**09:00-09:45**    **WP1, Cellular Signalling Dynamics**  
**09:45-10:30**   **WP2, Regulatory Networks and Chromatin Modifications**  
**10:30-11:30**   **Coffee Break + POSTER SESSION**  
**11:30-12:15**   **WP3, Signalling dynamics in whole organisms**  
**12:15-13:00**   **WP4, Programmability of NRs**

**13:00-14:00**    *Lunch*

## Session 2: DEVELOPMENT & AGEING

**14:00-14:45**   **WP5, NR Developmental Targets**  
**14:45-15:30**   **WP6, NR and the developing brain**  
**15:30-16:15**   **WP8, Aging and disease: NR and the brain**

**16:15-16:45**    *Coffee Break*

## Mini Symposium

**Importance of genetic sex differences in development and behavior**

**16:45-17:30**    **Elena Jazin** (Dpt Development & Genetics, Uppsala University, Sweden)  
*title ?*

**17:30-18:00**   **Giovanni Levi** (P1a, CNRS/MNHN, Paris, France)  
*title ?*

**19:30**            ***Dinner at Katholische Akademie, Mandlstraße 23.***

**MAY 28<sup>TH</sup>**

### **Session 3: PLATFORMS**

**09:00-09:45**    **WP9, Human Genetics**  
**09:45-10:30**    **WP10, Bioinformatics**

**10:30-11:30**    ***Coffee Break + POSTER SESSION + Visit of MPIP's Museum***

**11:30-12:30**    **KEYNOTE SPEAKER: Adam Antebi**  
(Max Planck Institute for the Biology of Ageing, Cologne, Germany)  
*title ?*

**12:30-13:30**    ***Lunch (a table will be organised for Steering Committee meeting)***

### **EU Funding Opportunities / Visit of MPIP's Museum**

**13:30-14:30**    **Julia Epp** (EU Affairs Office  
of the Max Planck Society, Munich, Germany)  
*Introduction of EU Funding Opportunities*

**13:30-14:30**    **Visit of MPIP's Museum  
by Profs. Weber and Burgmaier**

### **Mini Symposium Clock and Feeding**

**14:30-15:15**    **WP7, Aging and disease: Glucose and lipid metabolism**

**15:15-15:45**    ***Coffee Break***

**15:45-16:30**    **Gwendal Le Martelot** (Dpt Molecular Biology, Univ. of Geneva, Switzerland)  
*title ?*

**16:30-17:00**    **Franck Delaunay** (P1b, Univ. of Nice, France)  
*title ?*

**17:00**            **CLOSING SPEECH and POSTER PRIZEGIVING**
